HURRAH FOR THE HOLT COUN-TY SENTINEL.

EDITOR SENTINEL: Some twelve or thirteen years ago I became acquainted with the Holl County Sentinel. It has changed bands a number of times has changed hands a number of times here. since then-its name has been changed ally during the dark and cloudy days of

sidered, the best county paper that I era in which "peace on earth and good ever saw. I have been a subscriber for the paper ever since my first acquainters."

era has dawned upon our country—an era in which "peace on earth and good will to man" is the polar star of the Christian stateman, and of the great by this that I have read all of the stray notices or all of the advertisements of under a new order of things. Men now natent medicines; but I do mean to say patent medicines; but I do mean to say rather than by oppression and wrong that the reading matter—all of it—with It is a period when it may be said with few exceptions-have been read.

Since it was started answ in 1865 its editors have been changed; but I have

The improvements however-letting hearts of its old readers, and will induce a large number to subscribe for it that never have before.

I am going to have all of its old readers, with its hundreds of new subscribers the last ten eventual, terrible, bloody wasts of our national business have our not the rights of man during the last ten eventual, terrible, bloody wasts of our national business have not not not necessarily the last ten eventual.

and readers, to burrah for the success of our paper; but held-do not; ware a hat-its crimes, its wiekedness, the degrada-I tell you further why we should do it, thou and misery entailed by it are now features. It contains now, upon its all good men say "Oh! what a monster no reason snywhere for it. There was no which it rests, first page, three columns more of good was this which fastened itself upon our no reason that can be given that was a (conclude) reading matter than it did, the greater thean vulture was this which preved given so many times before to the counportion of it from the best writers upon upon the very vitals of cur institutions try - the desire upon the part of a few agriculture, morality and science—both and well-nigh wrought their over, men in the southern States who sought throw!" We are trying in this age to build up a slave empire; men who

creased to four.

Improvements have been made in com The proceedings of the Holt County Farmers' Club will be published in its columna.

The able correspondents which have been secured at Forbes Station, Bigo-low, Craig, Corning, Mound City, Min-nesota Valley, Whig Valley, King's Grove and other points, have added to precede the principles of humanity, neither relative criminality of this rebellion twisted nor forced from their natural against the Government of the United much to the interest of the paper.

Market reports from the leading cities East of the Rocky Mountains, reports of Mayor's Courts from several cities in the county-County and Circuit Courts and a synopsis of the proceedings of Congress, the most important body in the nation—these things with many others which I might mention, will make it a paper to be subscribed for and read instead of denouncing them as crimes against God and humanity, just so long who rabelled against this Government. suumerate much more in detail, but I am growing full of enthusiasms-cannot hold much longer, and now let u - nand all, hurrah for the success of our HOLT COUNTY SENTINEL. SUBSCRIBER.

tive champions, will take place this country against the American Government than for our fore-ment struck for despotism and slavery. (Friday) evening, January 12th, at the fathers to rebel against the Government Mr. Blair, of Missouri. In your M. E. Church.

shrough town, bound for the depot.

UNIVERSAL

By virtue of a united call irsued by the the question of amnesty, among other

things said:

"But, Mr. Speaker, I am told these men committed a groon crime; that they are unworthy of confidence, and beneath the notice of the American people; and that such unmistakably is the doctrine a closer union of the two wings of the Republican party in Missouri, and for the purpose of electing delegates to the National Republican Convention. We the Republican Central Committee of Holt county do hereby announce, that there will be a Masa Meeting held at the Court House in Oregon, on

In reply thereto Mr. Parker, of Missouri, said: Mr. Speaker: I had not expected to purpose of chosing Eight delegates who shall represent Holt county in the above State Convention. It is hoped that the Republicans of each township will be represented at this Mass Meeting.

P.S. In view of the formation of three new townships, namely: Lincoln, Bigcolw and Forbes, and there being a vacancy in Union township of Central Committee man, it is suggested that the Republicans of these townships hold meetings the Saturday preceding the county mass meeting and choose each townships that meetings the Saturday preceding the county mass meeting and choose each through the saturday preceding the county mass meeting and choose each through the saturday preceding the county mass meeting and choose each through the saturday preceding the county mass meeting and choose each through the saturday preceding the county mass meeting and choose each through the saturday preceding the county mass meeting and choose each through the saturday preceding the county mass meeting and choose each through the saturday preceding the county mass meeting and choose each through the saturday preceding the county mass meeting and choose each through the saturday preceding the county mass meeting and choose each through the saturday preceding the county mass meeting and choose each through the saturday preceding the county mass meeting and choose each through the saturday preceding the county mass meeting and choose each through the saturday preceding the county mass meeting and choose each through the saturday preceding the county mass meeting and choose each through the saturday preceding the county as a reflection of the views of the country mass of the southern people were the dinto this unholy and wicked strife for the overthrow of the Government of the coverthrow of the Government of the coverthrow of the Government of the coverthrow of the southern people were purpose of chosing Excurr delegates who county mass meeting and choose each the floor of the American Congress sentence Courtal Committee man. It is very timents such as have fallen from my coldesirable to have those places filled, and league to-day, and I believe that one man is the distinguished gentleman who has just addressed you. You can et go to either the Democratic or Republican party of that State to-day and find any party of that State to-day and find any man who is willing to stand before the country and the world and justify the enormity, the crime, the degradation and wickedness connected with the system of American slavery as it existed

The gentleman ought to know that -and had its "ups" and "downs," especi-ally during the dark and cloudy days of day, when the rights of man are looked the war; but I think it has always been aim and noblest purpose of the good and true to assist and elevate the downtredto be.

Since its resustation by C. W. Bowman in 1865 it has been, all things conance with it, and with few exceptions all mankind, no matter of what Chrishave read each number. I do not mean tian faith or nationality or color, as men some show of truth "that mercy and truth are met together, righteousness and peace have kissed each other."

found no fault with any of them, and have thought that we had a good paper — have been satisfied.

The gentleman, while exploring the records of the despotism of past ages, appears to have lorgetten that it was proclaimed by the Saviour of the world, when the targett strength the saviour of the world. when He taught the multitude and The improvements however-letting the past go-that have been made of late upon the paper will endear it to the hearts of its old readers, and will induce the late and the prophets."

bloody years of our national history. In some of its new fully known and bated by men. first page, three columns more of good system of government; what a Prome, true one, except that which has been in prose and poetry.

It gives the markets of New York, Chicago, Cincinnati, St. Louis, Milwau-kee, Cleveland and Detroit. On the last page we formerly had two columns of reading matter. This has been inof reading matter. This has been in- ty, and better for the rights of man everywhere. If men would but endeav-or to go forward instead of backward, pactness of type and in its clearness, which greatly improves the quantity and pleasure of reading. Already the farmer's department has its corner. mocracy and that we have instituted the only successful republic of ascient or

channels to harmonize with vice, wrong, and oppression. Then we would know that American republicanism, with Mr. Blair, of Missouri. I won commerce and the arts of peace as its to ask the gentleman a question. weapons, means the advancement of the human race. But as long as gentlemen undertake to move the finger of destiny backward instead of forward on the dial-plate of egainst the Government of England was time as long as they had violated the England was

will the true hearted and patriotic fear

for the safety of the great Republic.

Why, I thought that the party with which the gentleman has lately commenced to act were asking as on this aide of the House that we should forget

so far as crime was concerned, could not be any more guilty than our fore-fathers were. If the gentleman can make a distinction or a difference there I would like him to do it. menced to set were asking its on this side of the House that we should forget all the wrongs indicted upon the Government of the Exington Register office, was killed in that city on the 25th uitimoved in a fight. With others he attempted to separate them, when a piston was enomelous as connected with a discharged by one of the fractices to was enomalous as connected with a few practice of carrying deadly weapons.

Menced to set were asking its on this side of the House that we should first in to do it.

Mr. Parker, of Missouri. I can see the wrongs indicted upon the Government in the post. We pittle distinction between the post into assumed by thing now. There is an other man in the first instance and that assumed by him now. There is a difference, however, was killed in that city on the 25th uitim to this House, whether he sits on that side of the Lexington Register office, was killed in that city on the 25th uitim to this flowe, whether he sits on that side of the was one of the musicians at a ball where two young meas became involved in a fight. With others he attempted to separate them, when a piston was snownlous as connected with a discharged by one of the fractices the ball piercing his breast and killing him instantly. He is another victim to the practice of carrying deadly weapone.

The connection of the rights of all men were tree and equal. Why, both polity of the practice of carrying deadly weapone.

The connection of the rights of all men were tree and equal. Why, both polity of the continent to content that sought to degrade and described plant to their mild burract for the product of the product of the product of the product in the tree in an intention of the product of the product in the country of the product in the tree is an interest right existing in the country of the product in the p

AMNESTY, ernment of the United States during the Mr. Blair, of Missouri, I am not UNIVERSAL AMNESTY.

SPECKE IN CONGRESS BY HON.

I. C. PARKER.

Mr. Bisir, of Missouri, in the course of his kind. I cannot explain my friend's position in any other way than by attributing it to the enthusiasm of a sentatives, on the 21st December, upon the question of amnesty, among other things said:

"But, Mr. Speaker, I am told these men computed States was no crime. The gentlevel that prople, so long as increased in the prople, so long as they believel that people, so long as they believel that severy was right, bellion against the Government of the United States was no crime. The gentlemen does not seem to be willing to put himself in that position by declaring that it was no greater crime than that of our forefathers against the Government of Great Britain; but he asks the question, thereby evidently intending to convey the idea that one was no greater crime than the other.

Now, Mr. Speaker, let us see how that

people of the South were dragooned in-to it-because I am willing to concede, Mr. Blair, of Missouri. Slavery and I have believed all the time, that the masses of the southern people were Mr. Parker, of Missouri. The rebelfrom the time of its formation to the time they rebelled to a greater extent than the people of any other section of the country. Then, did they have any right on that ground to undertake to same arguments that you use to-day.

The gentle, and belle to the country of the foregoing tear down the Government and build up in its stead a great slave empire where slavery would be the rule and freedom the exception?

danger their slave property, pray tell me who began it? This question was understood in the political history of the country to have been settled entirely by what was called the Missouri of the country to have been settled entirely by what was called the Missouri of the country to have been settled entirely by what was called the Missouri of the country to have been settled entirely by what was called the Missouri of the country to have been settled entirely by what was called the Missouri of the country to have been settled entirely by what was called the Missouri of the country to have been settled entirely by what was called the Missouri of the country to have been settled entirely by what was called the Missouri of the country to have been settled entirely by what was called the Missouri of the country to have been settled entirely by what was called the Missouri of the country to have been settled entirely by the country to have been settled entir there was any agitation which grew up is this country and which sought to eny by what was called the Missouri compromise. Who sought to violate that compromise, and to drag slavery before the nation once more? Who opened up that controversy and sought to vioate that compromise in order that other Territories might be brought into the Union as States, which, in the lan-guage of another, "should be compelled to submit to the hateful embraces of slavery ?" it was the party which had its seat and center in the southern part t the United States. The slavery quesion was practically settled by that compromise line. It was taken from Congress, and it was taken, as an agitati g cause of trouble, from before the country. Yet it was reopened; legislation even our colleagues upon this floor, the was commenced upon it again and by

his very party. Well, it might be said that is conscquence of a party that was unfriendly to slavery electing a President of the United States that institution was renwant to ask the question whether or not that President, after he was installed in office, did not in one instance return to slavery men who were seeking freedom? I want to ask the question whether or not the position was not taken by that President in his inaugural message that this institution was to be as safe as it now what reason was there upon that And ground for this rebellion? There was design of its original founders, sought to build up a Government that should have in it an element of scistocracy, which should recognize the rights of the few, and leave unrecognized and unpro-tected and uncared for the rights of the many. That was the reason of this re-

bellion The fact that the southern people, or most of them, were made to believe that modern times—a republic which has slavery was cudangered, was only one been rendered sacred the loyal blood of the means that was resorted to by shed in its defense; a republic of which those men who sought to "fire the States and that of our forefathers against Great Britain? Mr. Blair, of Missouri. I would like

> Mr. Parker, of Missouri. I yield to were guilty of tresson, and that those who rebelled against this Government,

bartles in this country, as I understand it, are willing to acknowledge, they are distributed by the very men who lifted the wicked and implous hand of treason spaints the flag of our country; in the draw aside from the path of duty the minds of the southers people as to place them in direct hostility to our Government citizens becoming his surities. We are gratified, also, to state that the charges upon which he was arrested and taken to St. Joe. were utterly groundless and had their origin in a mail
matter of that place, by nine of the most the charges upon which he was arrested and taken to St. Joe. were utterly groundless and had their origin in a mail

matter of that place, by nine of the most the charges upon which he was arrested and taken to St. Joe. were utterly groundless and had their origin in a mail
matter of that place, by nine of the most that the from the path of duty the minds of the southers people as to place them in direct hostility to our Government. They all concede that, and the gentleman is the first member of this fluid to under any system of government. The ment is the other case we had men who were entitled to rights that were not protested by the Government. The difference and the simple difference and the simple distinction between the two cases is that our tion between the two cases is that our the color of the southers of the southers are dead of the southers are dead to the case we had a Government corticled by the very men who lifted the wicked and implous hand of treason spaints the flag of our country; in the other case we had a government corticled by the very men who lifted the wickednes. All work guaranteed.

Dutch Mills the first of the southers of the s

crime than the other.

Now, Mr. Speaker, let us see how that main so. Now, I want the gentleman was. We all know that in 1861, when rebellion burst on this land, when the

Mr. Parker, of Missouri. The gentle

man answers my question at last, and was rig! t. I am very sorry to see my colleague put himself in the position of Well, what other rights of theirs colleague put himself in the position of were invaded? The gentleman said becoming an applegist in this House for their slave property was in danger. If that which he believes was wrong their slave property was in danger. There is a distinctive difference between

tleman say in what sense I am the apol ogist of the rebellion? Mr. Parker, of Missouri. I have been

very indulgent to my colleague.

Mr. Biair, of Missouri. I hope the gentleman will not make statements unless he gives me the opportunity of ask-ing questions by way of explanation, at

Mr. Parker, of Missouri. I will an swer the gentleman by quoting on him the remarkable speech that just fell from his lips, and if that was not an spology and not an effort upon his part to justify this crime against the Gov-ernment then I fail to understand the honorable gentleman who have been admitted here, who were disfranchised un-der the laws of the country, and who are now entitled to sit here with us, and who are our peers here, are not United States that institution was rendered insecure. I want to ask the question whether or not that President did not in every declaration that fell from his lips pledge himself to protect slavery under the laws of the country? I want to ask the question whether or not that fell from his lips pledge himself to protect slaver under the laws of the country? I want to ask the question whether or not found justifying this rebellion by any means. They are not found justifying this rebellion by any means. They are not found justifying this rebellion by any means. They are not found justifying this rebellion by any means. They are not found justifying this rebellion by any means. They are not found justifying this rebellion by any means. They are not doing it. No man upon this floor does it, except as it has been done by the gentleman here to day. And the time has come, I think, in this country, if we desire peace and have a supplied to the country of the co in this country, if we desire peace and harmony and prosperity throughout the whole extent of this broad domain, mence to denounce it as a crime, and not only as a crime of ordinary extent, but one that was extremely wicked, one could be made under the laws of this country? I want to ask the question whether or not the American Congress did not pledge itself to project along the country. The country is the country in the land, one that destroyed millions of property, one that still location to the country is the country in the land, one that still location is the country in the land, one that still location is the country in the land, one that still location is the country in the land, one that still location is the country in the land, one that still location is the country in the country in the country is the country in the country is the country in the country is the country in the country in the country in the country is the country in the country in the country in the country is the country in t whether or not the American Congress
did not pladge itself to protect slavery
in the States where it existed? Then
what reason was there upon that fabric of ours the very foundations up-

THIRTY YEARS' EXPERIENCE IN THE TREATMENT OF Chronic and Sexual Diseases. A Physiological View of Marriage.

A Physiological View of Marriage.

The cheapest book ever published—containing nearly three hundred pages, and one hundred and thirty fine plates and engravings of the anatomy of the hunan organs in a state of health and disease, with a treatise on early errors, its deplorable consequences upon the mind and body, with the author's plan of treatment—the only rational and successful mode of cure, as shown by a report of cases treated. A truthful adviser to the married and those contemplating marriage, who entertain doubts of their physical condition. Sent free of postage to any address, on receipt of twenty-five cents in stamps or postal currency, by addressing Int. A CROIX, No. 31 Maiden Lane, Albany, N. Y. The author may be consulted upon any of the disease apon which his book treats, either personally or hymail, and medicines sent to any part of the world.

MANHOOD: HOW LOST, HOW RESTORED.

Just published a new edition of Dr. Culverwell's Celebrated Essay on the radical care (without medicine) of Spenmatourancia, or seminal weaknes involuntary Seminal losses, impotency Mental and Physical incapacity, impediate when gentlemen should not only cease to justify the rebellion, but should commence to denounce it but should commence to denounce it but should commence to denounce it but should com-

sy, and fits, induced by self-indulgence or sexual extravagance.

**EPrice*, in a scaled envelope, only 6 cents.

The celebrated author, in this admirable essay, clearly demonstrates from a thirty years successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and sadically.

ically.

If This Lecture should be in the hands of every youth and every man in the land.

Purify Your Blood.

Doctor Crook's Compound Syrup of

Poke Root

Wherever Poke Rooi grows. It has a local reputations as aglidood Purifier, and for the cure of Ithenmatism. With all this local reputation, and the praise of distinguished Physicians. (Drs. Coe. Lee., King, Wilson M. Hunt, Griffiths, Copeland and others.) who have tested its medical powers; it has been neglected by the profession at large, as much through a want of a proper appreciation of its merita. as a knowledge of the proper way to prepare it for medicinal use. Dr. Oilver Crook, (a physician who devokes als entire time to the dulies of kis profession.) Ass fully tested the active medicinal qualities of Poke Root during the last 25 years, and unhesitatingly pronounce it to have known agant—for discasse depending on a depraved condition of the blood—than any and all articleTasmed in the Metaria Medica. Under his instructions our chemist has combined the active medicinal qualities of Poke Root diving the best Tonio Preparation of Iron, and we offer this preparation of lone, and we offer this preparation of the public under the above uame.
